WELCOME

Meadows Clay Sports is pleased to welcome you to the 2023 Georgia Sporting Clays Championship presented by Krieghoff! We thank you for attending this year and hope you enjoy all we have to offer. We'd like to also thank our team of target setters visiting from other clubs and believe you'll enjoy these competitive targets.

Over the 5 days you'll have your chance at shooting all our event courses as well as 2 practice 5 stands, Make A Break and a practice course. Please take time to visit our sponsors and vendors conveniently in the heart of the property as well as they are what help make the state event great.

In this booklet you'll find more information and property maps on where different events are located. Should you have any questions not answered here please be sure to ask our staff.

Again, thank you for visiting Meadows and good luck!

Sincerely,

Dominic Bethel and the dedicated Meadows Clay Sports staff

Dear Shooters:

It is indeed an honor to welcome you to the 31st Georgia Sporting Clays Association Championship. Our state shoot continues to be one of the most attended in the nation.

This year, the Board of the GSCA has awarded each shooter entered in the Main Event, a credit of \$60.00. This credit is a way our state organization gives back target fees to all who have participated in our registered shoots throughout the year. Along with the credit, Krieghoff has kindly donated one box of Gamebore ammo in a commemorative box. As customary we will be providing the entries our annual state pin. Our annual meeting will take place during the Saturday night dinner at The Meadows. On the agenda will include any business of the state organization. We will be inducting new members into our Hall of Fame and awarding the John Letsinger service award winner. We will also announce the results of our recent elections.

This year has been a challenge regarding our nationally acclaimed website. We have provided our members with a new look and a new format. As time goes on, it will only get better.

Meadows Clay Sports will provide one of the most memorable shoots in our history. They continue to enhance their entertainment value resulting in a positive experience for the shooter. At the end of this year's championship, we will be awarding our trophy to a well-deserved state champion.

Thank you for the opportunity to serve our organization as its President. I continue to be humbled by the support I have received from shooters around our state and country.

Regards,

Harvey T. Schwartz, President
Georgia Sporting Clays Association
